

RE: NEW Parts Ordering Website!!

Hyundai is launching a brand new website for Parts Ordering!

<https://www.HyundaiPartsOrders.com>

\*\*\*\* Please add this new website to your Internet Explorer "favorites" folder immediately \*\*\*\*

As a result of pending litigation against HMA that relates to parts ordering operations, HMA will be making certain changes to our parts ordering systems, which we believe will also help streamline parts ordering functions for dealers.

The new <https://www.HyundaiPartsOrders.com> website will be launched by DMS type as follows:

ADP Dealers

Wednesday May 5<sup>th</sup>, 2010

Non-ADP & Non-Reynolds & Reynolds Dealers (i.e. Arkona, Adams, Alliance, etc.)

Wednesday May 12<sup>th</sup>, 2010

Reynolds & Reynolds ERA, Reynolds & Reynolds Power

Wednesday May 19<sup>th</sup>, 2010

ADP Ram Gate Dealers

Wednesday June 2<sup>nd</sup>, 2010

Continue to order parts using HyundaiDealer.com/WebDCS until your migration date as noted above.

After your dealership has been migrated onto the new <https://www.HyundaiPartsOrders.com>, **please use the new website for ALL Parts ordering functions**. All Parts Orders from your DMS will be uploaded to <https://www.HyundaiPartsOrders.com>. Upload of Parts Orders from your DMS through HyundaiDealer.com/WebDCS will be disabled.

Dealers will continue to log into HyundaiDealer.com / WebDCS to submit Parts Returns (as well as warranty claims, financial statements, and RDRs) to Hyundai. All other Parts related functions, such as the Parts Catalog, WebDCS Parts Return, and Parts Marketing announcements will continue to be available on HyundaiDealer.com/WebDCS.

The News and Alerts section on HyundaiDealer.com/WebDCS will be updated with new website information as necessary during the launch period.
