A Guide to eCatalog Features

The following screen images illustrate the main features of eCatalog. Click on the arrows to advance to the next page.

The screenshot shows the Hyundai eCatalog interface in a Microsoft Internet Explorer browser window. The browser's address bar displays the URL: <http://hsolutions.net.ecoregry.com/eCatalog/BrowseCatalog.asp>. The website header features the Hyundai logo and a navigation menu with links for Home, News & Information, Shopping Cart, My Orders, and Administration. A search bar is located below the navigation menu. On the left side, there is a vertical menu with links for My Favorites, Reports, eCatalog Help, Getting Started, and Contact Info. The main content area displays a list of products, including a 'Point of Purchase Display/Promotional Service Materials'. Several callout boxes with arrows pointing to specific elements provide the following information:

- Main Navigation:** Navigate to different sections of the site.
- Sub Navigation:** Navigate to different pages within each section.
- My Favorites:** Allows you to save items and gives you quick access to items you frequently use.
- Contact Info:** Where to go for help.
- Shopping Cart:** Click here to visit your shopping cart. (The callout points to a shopping cart icon and the text 'You have 0 items in your cart').
- Quick Search:** Search for an item by its material number, title, short, or extended description.
